

warpcore::BloomFilter
::is_copy

```
graph LR; A[warpcore::BloomFilter::is_copy] --> B[warpcore::BloomFilter::k]
```

The diagram illustrates a function call. On the left, a gray rectangular box contains the text 'warpcore::BloomFilter' on the first line and '::is_copy' on the second line. A dark blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'warpcore::BloomFilter::k'.

warpcore::BloomFilter::k
